Housing Programs Progress Report

Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

1	2	3	4
Name of Program	**Objective**	**Timeframe in H.E**	**Status of Program Implementation**
Measure 1	**Review land use patterns to identify areas for future housing objectives. (Government Code Section 65583, Government Code Section 65302[a[, and Government Code 65860**	**Ongoing**	Completed and ongoing. Carry forward as Measure HO-1
2	**Consider amending multi-family density and provide for a variety of housing types. Government Code 65583.2(c)(iv) and (e), Policies HO-1.1 and HO-1.2**	**Two Years**	On December 15, 2015, the Board of Supervisors adopted Resolution 196-2015 adopting a Targeted General Plan Amendment to the El Dorado County General Plan. Multifamily density was retained at 24 units as increase was not needed to meet State mandates. (Refer to General Plan Land Use Element Policy 2.2.1.1 definition of Multifamily Residential, and Table 2-2 Land Use Densities and Residential Population Ranges. Coupled with feedback from developers, it is assumed that 24 du/acre is appropriate for affordable housing developments in unincorporated El Dorado County. The TGPA/ZOU project proposal to increase the MFR density to 30 units per acre described in the Notice of Preparation (NOP) for the Draft EIR was based on the belief that this higher density was necessary in order for the housing element to accommodate the county's fair share of the regional housing need. After adoption of the Housing Element in late October 2013 and concurrence by the California Department of Housing and Community Development later that year, it was clear that the higher density is not needed in order to meet state law. Therefore, that part of the TGPA/ZOU project was no longer being pursued. Completed. Carry forward as Measure HO-40.

3	**Review and identify adequate sites for future affordable housing without need to fund major infrastructure. (California Government Code 65583.2(c)(iv) and (e).
