III. Approval of Minutes from January 23, 2006

Approved; on a motion by Bill McCluskey and a second by Don Nizolek.

IV. Old Business

Jon Souza gave out a handout from the Department of Toxics. He stated that there have been several updates to billboards and our handouts regarding universal waste. The billboard on the east end of town has been changed to a universal waste message.

V. Staff Announcements

No staff announcements.

VI. Meeting AB 939 Goals {Annual Reports - 2004}

Jon Souza said that the 2004 annual report was submitted along with the two final 1066 extensions for South Lake Tahoe and the County.

Jon Souza said that the C&D ordinance should be tied in with the disposal issues in doing the annual reports. Jon said that there is some concern regarding the reporting of disposal numbers that needs to be addressed. He also said there needs to be some kind of a fee to reimburse Environmental Management for all the tracking it does. Jon said that facilities are now required to survey everyday instead of once a quarter and will have to show evidence of training. Jon suggested a subcommittee be formed to investigate the need for a revision of the ordinance. Dianna Hillyer said that she wanted to work with the developers and haulers in El Dorado Hills and see what kind of ideas they can brainstorm to close up some loopholes and use that as a model and present that information at the May meeting.

Dickson Schwarzbach asked about the new base year request. Jon Souza said that the meeting was rescheduled for April. We should be at 56.3% for the unincorporated county, but with biomass we would be at 61.5%.

VII. Agency/Jurisdiction Reports:

Cameron Park

Tammy Mefford gave the Cameron Park report.

El Dorado County

Environmental Management Department

Jon Souza said that Environmental Management has compost booklets to give out. There were HHW events in January, February, and March. There will be more HHW events in April as well. Environmental Management expects to have 100+ tire facilities inspected by June 2006.

El Dorado Disposal / Western El Dorado Recovery Update

Sue Farris said that El Dorado Disposal got its second baby truck.

El Dorado Hills Community Services District

Dianna Hillyer said that their diversion report was accepted. Their diversion rates were 44.27% for the period and 53.8% for the year.

City Of Placerville

Randy Pesses reported for the City of Placerville. He stated they had fall leaf clean-up dates in November 2005 and November 2006. They collected 500 tons at these events.

City Of South Lake Tahoe / South Tahoe Refuse Co., Inc. Update

Jeanne Lear gave the reports for both the City of South Lake Tahoe and South Tahoe Refuse. She stated that South Tahoe Refuse is continuing the permitting process for the proposed Resource Recovery Facility expansion.

VIII. Task Force Matters
