## SECTION II – FINANCIAL STATEMENT FINDINGS

Our audit disclosed significant deficiencies, but no material weaknesses or instances of noncompliance material to the basic financial statements. We have also issued a separate Memorandum on Internal Control dated March 28, 2018 which is an integral part of our audits and should be read in conjunction with this report.

## SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

Our audit disclosed the following findings and questioned costs required to be reported in accordance with Uniform Guidance.

**Finding reference number:** SA2017-001 Compliance with Follow Up on Failed Inspections

**CFDA number:** 14.871

**CFDA Title:** Section 8 Housing Choice Vouchers

**Name of Federal Agency:** *Department of Housing and Urban Development*

**Federal Award Identification Number:** CA151 FSH 098A016

**Name of pass-through Entity:** N/A

**Criteria:** 24 CFR sections 982.158(d) and 982.404 and the El Dorado County Public Housing Authority's inspection policies require that for units under the Housing Assistance Payments (HAP) contract that fail to meet Housing Quality Standards (HQS), the Housing Authority must require the owner to correct any life threatening HQS deficiencies within 24 hours after the inspections and all other HQS deficiencies within 30 calendar days or within the time specified in a Housing Authority-approved extension. And, the Public Housing Authority's inspection policy stipulates a notification of inspection results will be provided to the owner and family within 5 days. If the owner does not correct the cited HQS deficiencies within the specified correction period, the Authority must stop (abate) the HAPs beginning no later than the first of the month following the specified correction period or must terminate the HAP contract.

**Condition:** We tested 16 failed inspections and noted that the inspections for two different units were performed on September 14, 2016 and June 23, 2017, respectively, and the units failed the inspection procedures. As noted in the tenant files, the Housing Authority notified the owner and the family of the failed inspection results and the failed inspection repair for the unit was completed on November 7, 2016 and September 3, 2017, respectively, which is more than the 30 days required by 24 CFR sections 982.158(d) and 982.404 and the Public Housing Authority's policies.

**Effect:** The Public Housing Authority is not in compliance with the failed inspection requirements of 24 CFR sections 982.158(d) and 982.404 and the Public Housing Authority's inspection policy.

**Cause:** The Public Housing Authority staff did not document in the tenant file whether an extension was provided, nor document a reason for allowing the repairs to be completed after the 30 day requirement.

**Identification as a repeat finding:** Yes, since 2016.

**Recommendation:** The Public Housing Authority staff should review tenant files, including the quality inspections status, on a regular basis to ensure that all files are up to date and required repairs have been performed within the time required or stop the HAPs in accordance with the provisions of 24 CFR sections 982.158(d) and 982.404 and the El Dorado County Public Housing Authority's inspection policies.

### SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS (Continued)

#### View of Responsible Officials and Planned Corrective Actions:

Pursuant to the Public Housing Authority Administrative Plan, 8-II.F. Inspection Results and Reinspections for Units Under HAP Contract, Notification of Corrective Actions: "When failures that are not life threatening are identified, the PHA will send the owner and the family a written notification of the inspection results within 5 business days of the inspection. The written notice will specify who is responsible for correcting the violation, and the time frame within which the failure must be corrected. Generally, not more than 30 days will be allowed for the correction. Self-certification forms will be offered as an alternative to physical reinspection of the failed items that are not considered to be life-threatening."

In the two files noted by the auditors, the owners (in good standing) were offered the opportunity to self-certify that the non-life-threatening inspection violations were corrected. Receipt of the self-certification took longer than the allowed 30 days and an extension was not noted in the files. Staff have been advised of the critical nature for timely actions in the program and the necessary file documentation that needs to occur.

In addition, in September 2017, the Public Housing Authority upgraded their Housing Pro software. The new software features an interactive dashboard, which will assist the Public Housing Authority with file completeness. The interactive dashboard tracks information such as appointments, verifications, task and inspections. This software was not in use for the time period that this audit reviewed. The upgraded software and dashboard features assist staff and the Public Housing Supervisor and Manager with the ability to: 1) track when inspections are due; 2) review timelines of failed inspections; and, 3) assure proper file documentation. The PHA Supervisor shall routinely monitor the dashboard and proactively incorporate the new tools into the supervision practice of the program to monitor upcoming tasks and due dates.

Following the previous audit, the Public Housing Authority implemented a Quality Assurance (QA) file review effective June 30, 2017 and now conducts QA file reviews quarterly. Results of these QA findings will be made available to the Manager to support the program in identifying any areas that may need additional support.

**Finding reference number:** SA2017-002 Compliance with Eligibility Requirements

**CFDA number:** 93.041, 93.042, 93.043, 93.044, 93.045, 93.052, 93.053

**CFDA Title:** Aging Cluster – Special Programs for the Aging (CFDA #'s 93.044, 93.045, 93.053)  
State-designated Cluster (CFDA #'s 93.041, 93.042, 93.043, 93.052, 93.044, 93.045, 93.053)

**Name of Federal Agency:** Department of Health and Human Services, Administration on Aging

**Federal Award Identification Number:** AP-1617-29

**Name of pass-through Entity:** California Department of Aging, Health and Human Services Agency

**Criteria:** As the pass-through entity, California Department of Aging, Health and Human Services Agency, established the following eligibility requirements for the program in the grant agreement with the County:

- Eligible Service Population for Title III B means individuals sixty (60) years of age or older, with emphasis on those in greatest economic and social need with particular attention to low-income minority older individuals, older individuals with Limited English Proficiency (LEP), and older individuals residing in rural areas.

### SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS (Continued)

- Eligible Service Population for Title III C-1 and C-2 means individuals sixty (60) years of age or older, with emphasis on those in greatest economic and social need with particular attention to low-income minority older individuals, older individuals with LEP, and older individuals residing in rural areas.
  - Individuals eligible to receive a home-delivered meal are individuals who are:
    - (i) An older individual who is frail as defined by 22 CCR 7119, and homebound by reason of illness, disability, or isolation. (These individuals shall be given priority).
    - (ii) A spouse of a person in 22 CCR 7638.7(c)(2), regardless of age or condition, if an assessment concludes that is in the best interest of the homebound older individual.
    - (iii) An individual with a disability who resides at home with older individuals, if an assessment concludes that it is in the best interest of the homebound older individual who participates in the program.

**Condition:** We tested a total of eighty-three individuals in the service populations of five of the seven programs receiving either Title III B or Title III C funds for compliance with the program eligibility requirements and noted the following exceptions: one client receiving Title III C home-delivery was not evaluated as homebound, disabled or to be the spouse of a homebound individual; two clients receiving a Title III C meal at a congregate site did not provide age information and therefore, there do not appear to be adequate records to substantiate the age and eligibility to receive meals.

**Effect:** The County's Health and Human Services Department is not in compliance with the eligibility requirements of the grant agreement.

**Cause:** The County's Senior Center staff did not document all the eligibility information in the client files for each program as required by the grant agreement.

**Recommendation:** The County's Senior Center staff should review client files to ensure that all eligibility requirements of the grant agreement are documented. And, procedures should be implemented to ensure that the eligibility of future participants is documented prior to service.

#### **View of Responsible Officials and Planned Corrective Actions:**

- One (1) client receiving Title III C home delivery was not evaluated as homebound, disabled or to be the spouse of a homebound individual.

Response: All clients receiving Title III C home delivery are evaluated for eligibility. They are initially screened by phone and an application is completed and kept on file as documentation. The audit relied upon information within the current database system Harmony. Some of the information that justifies eligibility can only be captured in the notes section of the database; a section that was not being fully utilized.

The client in question was the spouse of someone with Alzheimer's. The spouse meets the eligibility requirement as stated in (ii) A spouse of a person in 22 CCR 7638.7(c)(2), regardless of age or condition, if an assessment concludes that is in the best interest of the homebound older individual.

Planned Corrective Action: The Notes section in the Harmony database will be utilized to document client eligibility.

- Two (2) clients receiving a Title III C meal at a congregate site did not provide age information and therefore, there is not adequate records to substantiate their age and their eligibility to receive meals.

Response: The clients in question were missing a date of birth in the database. It is possible the omission of age was a data entry oversight.

Planned Corrective Action: Going forward, staff/volunteers will review records more thoroughly to ensure that eligibility requirements with the State are clearly stated and recorded in the Harmony database.

**SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS (Continued)**

**Finding reference number:** SA2017-003 Compliance with Grant Reporting Requirements

**CFDA number:** 93.041, 93.042, 93.043, 93.044, 93.045, 93.052, 93.053

**CFDA Title:** Aging Cluster – Special Programs for the Aging (CFDA #'s 93.044, 93.045, 93.053)  
State-designated Cluster (CFDA #'s 93.041, 93.042, 93.043, 93.052, 93.044, 93.045, 93.053)

**Name of Federal Agency:** Department of Health and Human Services, Administration on Aging

**Federal Award Identification Number:** AP-1617-29

**Name of pass-through Entity:** California Department of Aging, Health and Human Services Agency

**Criteria:** In accordance with the requirements of OMB Uniform Guidance Section 200.17, clusters of programs, meaning a grouping of closely related programs that share common compliance requirements, must be identified on the Schedule of Expenditures of Federal Awards (SEFA) and any "other clusters" designated by a State grantor must be considered as one program for determining major programs.

**Condition:** The original SEFA provided for audit reported the Department of Health and Human Services *Aging Cluster* as CFDA #'s 93.044, 93.045 and 93.053, with total federal awards of \$833,338, and reported CFDA #'s 93.041, 93.042, 93.043 and 93.052, with federal awards totaling \$153,945, as separate from the *Aging Cluster*. However, in accordance with the requirements of 2 CFR § 200.17, Exhibit E of the County's grant agreement with the California Department of Aging Health and Human Services Agency indicates that all seven CFDA's under the grant agreement should be considered one "other cluster".

The revision to the SEFA necessitated by the correction above changed our audit planning, including which programs were determined to be major or tested programs in fiscal year 2017.

**Effect:** The County is not in compliance with the reporting requirements of the grant agreement and the SEFA preparation requirements of Uniform Guidance (2 CFR § 200). In addition, our planning for the Single Audit tested (major) programs was affected.

**Cause:** The County staff was not made aware of State-designated clusters.

**Recommendation:** The County should develop procedures to determine that all programs reported on the SEFA comply with any State-grantor designations of "other clusters."

**View of Responsible Officials and Planned Corrective Actions:**

The Health and Human Services Agency will deliver verbal communication in addition to written documentation to County Staff to ensure staff is made aware of State-designated clusters as per reporting requirements of 2 CFR 200.17.

Please also see the Corrective Action Plan separately prepared by the County.

**SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS (Continued)**

**Finding reference number:** SA2017-004 Compliance with Title III Reporting Requirements

**CFDA number:** 10.665

**CFDA Title:** Schools and Roads - Grants to States

**Name of Federal Agency:** *Department of Agriculture*

**Federal Award Identification Number:** N/A

**Name of pass-through Entity:** N/A

**Criteria:** Section L, Reporting, of the Agency Program Requirements for CFDA 10.665 contained in the 2 CFR § 200, Appendix XI, Compliance Supplement requires the submission of a *County's Certification of Title III Expenditures and Unobligated Funds* financial report to the grantor by February 1 of the calendar year in which funds were expended.

**Condition:** The County did not submit the *County's Certification of Title III Expenditures and Unobligated Funds* financial report to the grantor for the period ending December 31, 2016.

**Effect:** The County is not in compliance with the reporting requirements of the Compliance Supplement.

**Cause:** County staff were unaware of the reporting requirement.

**Recommendation:** The County should work with the grantor to submit all delinquent reports and develop procedures to ensure compliance with all grant reporting requirements.

**View of Responsible Officials and Planned Corrective Actions:**

Certification of Title III expenditures report was completed and emailed to the Secretary of Agriculture on March 8, 2018. Any future reports will be submitted by the February 1 deadline.

Please also see the Corrective Action Plan separately prepared by the County.

**Contact person:** Laura Schwartz, Deputy Chief Administrative Officer.

**SECTION III – FEDERAL AWARD FINDINGS AND QUESTIONED COSTS (Continued)**

**Finding reference number:** SA2017-005 Compliance with 2 CFR § 200.305

**CFDA number:** 10.665

**CFDA Title:** Schools and Roads - Grants to States

**Name of Federal Agency:** *Department of Agriculture*

**Federal Award Identification Number:** N/A

**Name of pass-through Entity:** N/A

**Criteria:** Under 2 CFR § 200.305 (b)(9), the County is required to remit interest earned of \$500 or more on Federal advance payments deposited in an interest-bearing account to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment.

**Condition:** During our review of the program, we noted that the County had earned interest in excess of \$500, but the County had not remitted the excess interest earned back to the Department of Health and Human Service PMS.

**Effect:** The County is not in compliance with 2 CFR § 200.305 (b)(9).

**Cause:** The County was unaware of the Uniform Guidance requirement to remit the interest earned in excess of \$500.

**Recommendation:** The County should develop procedures to comply with the requirements of 2 CFR § 200.305 (b)(9) and remit any excess interest earned on federal advances to the Department of Health and Human Service PMS.

**View of Responsible Officials and Planned Corrective Actions:**

Interest in excess of \$500 will be returned as required. Interest will be monitored on an annual basis and any future earnings in excess of \$500 will be returned to the Department of Health and Human Services.

Please also see the Corrective Action Plan separately prepared by the County.

## COUNTY OF EL DORADO

### Notes to Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2017

#### NOTE 1: **REPORTING ENTITY**

The accompanying Schedule of Expenditures of Federal Awards (Schedule) presents the activity of all federal award programs of the County of El Dorado (County), with the exception of the federal award programs of the El Dorado County Transportation Commission, the Children and Families Commission, and the El Dorado County Transit Authority, which were subject to separate audits by independent auditors. The County's reporting entity is defined in Note 1 to the County's basic financial statements. All federal awards received directly from federal agencies, as well as federal awards passed through other governmental agencies, are included in the Schedule.

#### NOTE 2: **BASIS OF ACCOUNTING**

The accompanying Schedule includes the federal grant activity of the County, which is presented on accounting principles generally accepted in the United States of America. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200 (2 CFR Part 200), *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

*Non-Cash Assistance.* The Schedule contains values for the following non-cash assistance, which is not presented in the financial statements:

10.576 *Senior Farmers Market Nutrition Program* – Coupons in the amount of \$4,700 are reported at the value of coupons distributed.

#### NOTE 3: **RELATIONSHIP TO FINANCIAL STATEMENTS**

The expenditures reported in the accompanying Schedule agree, in all material respects, to the associated expenditures reported within the County's fund financial statements. Specifically, with the exception of federal award expenditures reported on a cash basis, federal award expenditures accounted for under governmental fund types use the modified accrual basis of accounting while those accounted for under proprietary fund types use the accrual basis of accounting. Federal award expenditures that are required to be reported by the federal cognizant agency on a cash basis have been reported on the Schedule on a cash basis. Any differences between the cash and modified accrual basis of accounting for these expenditures are immaterial.

## COUNTY OF EL DORADO

### Notes to Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2017

**NOTE 4: LOANS WITH CONTINUING COMPLIANCE REQUIREMENT**

The following program loan balances and transactions relating to these programs are included in the County's basic financial statements. Loans outstanding at the beginning of the year and loans made during the year (if applicable) are included in the federal expenditures presented in the Schedule on pages 9 and 18. Loans funded through federal programs, for which the federal government is at risk, carried the following balances as of June 30, 2017:

Federal CFDA Number	Program Title	Balance of Loans from Previous Years	Repayments a)	New Loans b)	Amount Outstanding June 30, 2017
	Community Development Block				
14.228	Grants/State's Program	\$ 3,207,614	\$ 38,240	\$ -	\$ 3,169,374
	Home Investment				
14.239	Partnerships Program	7,383,329	87,635	-	7,295,694
	TOTAL	<u>\$ 10,590,943</u>	<u>\$ 125,875</u>	<u>\$ -</u>	<u>\$ 10,465,068</u>

- a) Principal loan repayments received to date (including repayments on new loans), for which the federal government imposes continuing compliance requirements.
- b) Value of loans made during the year, exclusive of repayments.

**NOTE 5: PASS-THROUGH GRANTOR AWARD NUMBER**

When federal awards were received from a pass-through entity, the Schedule of Expenditures of Federal Awards shows, if available, the grantor award number assigned by the pass-through entity. When no grantor award number is shown, the County has either determined that no grantor award number is assigned for the program or the County was unable to obtain a grantor award number from the pass-through entity.

**INDEPENDENT AUDITOR'S REPORT ON  
INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Supervisors of  
the County of El Dorado  
Placerville, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the County of El Dorado as of and for the year ended June 30, 2017, and have issued our report thereon dated March 28, 2018. Our report includes a reference to other auditors who audited the component unit financial statements of the El Dorado Transit Authority (EDCTA), Children & Families Commission (First 5), and the El Dorado County Transportation Commission (EDCTC) as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors. Our report also includes emphasis of a matter paragraphs disclosing the implementation of new accounting principles.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we and the other auditors did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control we consider to be significant deficiencies as listed on the Schedule of Significant Deficiencies included as part of our separately issued Memorandum on Internal Control dated March 28, 2018, which is an integral part of our audits and should be read in conjunction with this report.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are listed as finding 2017-01 in our separately issued Memorandum on Internal Control dated March 28, 2018, which is an integral part of our audits and should be read in conjunction with this report.

### ***County's Response to Findings***

The County's response to the findings identified in our audit are described in in our separately issued Memorandum on Internal Control dated March 28, 2018, which is an integral part of our audits and should be read in conjunction with this report. The County's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON  
COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;  
REPORT ON INTERNAL CONTROL OVER COMPLIANCE;  
AND REPORT ON THE SCHEDULE OF EXPENDITURES OF  
FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Supervisors of  
the County of El Dorado  
Placerville, California

***Report on Compliance for Each Major Federal Program***

The County of El Dorado's basic financial statements include the operations of the El Dorado Transit Authority (EDCTA), Children & Families Commission (First 5), and the El Dorado County Transportation Commission (EDCTC), which expended federal awards that are not included in the Schedule of Expenditures of Federal Awards for the year ended June 30, 2017, because the component units engaged other auditors. However, the First 5 and EDCTC did not incur federal expenditures equal to or greater than \$750,000 for the year ended June 30, 2017.

We have audited the County's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2017. The County's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

### ***Other Matters***

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying Schedule of Findings and Questioned Costs as items 2017-001, 2017-002, 2017-003, 2017-004 and 2017-005. Our opinion on each major federal program is not modified with respect to these matters.

The County's response to the noncompliance findings identified in our audit are described in the accompanying Schedule of Findings and Questioned Costs. The County's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

### ***Report on Internal Control Over Compliance***

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified certain deficiencies in internal control over compliance, as described in the accompanying Schedule of Findings and Questioned Costs as item 2017-003, that we consider to be a significant deficiency.

The County's response to the internal control over compliance findings identified in our audit are described in the accompanying Schedule of Findings and Questioned Costs. The County's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the County as of and for the year ended June 30, 2017 and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated March 28, 2018, which contained an unmodified opinion on those financial statements. Our report includes a reference to other auditors who audited the component unit financial statements of the El Dorado County Transit Authority (EDCTA), Children and Families Commission (First 5) and El Dorado County Transportation Commission (EDCTC). Our report, insofar as it relates to the results of the other auditors, is based solely on the reports of the other auditors. Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

**Supplementary Statements**

The Statements of the California Governor's Office of Emergency Services and the Board of State and Community Correction Grants have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we express no opinion on them.
