Supervisor Walker read the following statement to the Board:

"Last week the Board of Supervisors approved action pertaining to amendment

STATE OF CALIFORNIA, COUNTY OF EL DORADO

BOARD OF SUPERVISORS MINUTES April 22, 1968

of the Personnel and Salary Ordinance. This action stemmed from a motion I made. I took this action with two thoughts in mind: one, that the salary adjustment would be primarily aimed at the category of clerical personnel passed over in earlier salary deliberations; and two, that the additional cost would be approximately \$15,000 to County taxpayers.

"I have asked the County Administrator to compute the cost impact of last weeks action, and find that the total cost would have been approximately \$20,000 and the County taxpayers' share would be approximately \$17,400. I have also reviewed the classifications that would be blanketed in under the 2½% increase, and find several that were not in the general clerical grouping.

"In view of these two developments, I have requested the County Counsel to prepare an amendment to the Personnel and Salary Ordinance for your consideration today. This ordinance is identical to the one approved last week except that the following classifications would remain without a salary increase:

1. Airport Manager
2. Airport Maintenance Man
3. Cemetery Maintenance Man
4. Engineering Technician
5. Public Health Nurse I & II
6. Library Shelver
7. Clinical Laboratory Technologist and X-Ray Technician

"With the deletion of these increases, the dollar impact as computed by the County Administrator totals approximately \$17,100 with a County taxpayers share of approximately \$14,900."

After discussion, on motion of Supervisor Walker, seconded by Supervisor Lawyer, and carried by the following vote: Ayes: Supervisors Walker, Worrell, Lawyer and Martin; No: Supervisor Ronzone; the following ordinance was adopted amending Ordinance No. 922:

ORDINANCE NO. 924
