intentions of the petitioners; specifically, that they felt the present use permit actually overly developed the property and it was their desire to reduce the present allowable units from approximately 200 to 150 units, thereby enabling them to put in a lower density, better designed mobilehome park. (The additional 20.0 acres would provide for the necessary area expansion.) Mr. Riley further stated that there was an 18" sewer line through the property, and that a 10" water line would be run into the property which will connect with a 6" water line on the property. There were no protests and the Hearing was closed. After consideration, on motion of Supervisor Lane, seconded by Supervisor Johnson, and carried by the following vote: Ayes: Supervisors Lane, Johnson, and Stewart; No: Supervisor Walker; Absent: Supervisor Lawyer, the recommendation of the Planning Commission was upheld and the rezoning was denied.
