On July 12, 1983, the Board advised State Legislators that, since it has been notified that funding advances will not be provided to the County in time for the July, 1983, mid-month Welfare grants, the Board will be unable to make such grants until advances are received or written assurance is received that the County will be reimbursed when the State budget for 1983-84 is adopted.

On motion of Supervisor Walker, seconded by Supervisor Dorr, and unanimously carried by those present, the Board authorized the County Welfare Director and Auditor-Controller to make the Welfare grant payments if written assurance of reimbursement is received from the State, or the State 1983-84 budget is adopted.
