Major vendors and contractors include Blue Shield of California, PacifiCare, Kaiser, Delta Dental, and Vision Service Plans. The Employee Benefit Program supports the Retiree Health. ## Financial Charts

## Source of Funds

Use of Money \& Property ( $\$ 35,000$ ): Interest revenue is generated by the cash reserves held in the Risk Management special revenue fund.

Charge for Services (\$33,097,182): Revenues to fund the Liability Programs ( $\$ 2,238,568$ ), the Medical Leave Program (\$1,431,192), and the Employee Benefits programs ( $\$ 29,427,422$ ) are generated through cost-applied charges to departments, employee payroll
 deductions, and payments from retirees.

Fund Balance (\$6,611,091): In the Medical Leave and Liability sub-funds, cost-applied charges to departments have been reduced and there is a planned use of fund balance to eliminate prior year surpluses and bring the actual funding level down to $70 \%$.

Net County Cost (\$1,297,105): The Human Resources division of the department is funded with discretionary General Fund tax dollars. These revenues are collected in Department 15 General Fund Other Operations.

## Use of Funds

Salaries \& Benefits ( $\$ 1,476,148$ ):
Primarily comprised of general salaries and benefits ( $\$ 1,080,556$ ), retirement $(\$ 176,004)$, health insurance (\$204,572), retiree health (\$12,642), and workers' compensation ( $\$ 2,374$ ).

| Services |  |
| :--- | :--- |
| $(\$ 39,003,402):$ | $\quad$ Supplies |
| Primarily |  | ( $\mathbf{3}$,003 and claims payments in the Liability programs (\$2,277,562), Medical Leave programs (\$3,372,707), and Employee Health and Other Benefits programs ( $\$ 29,427,422$ ). Professional \& specialized services $(\$ 1,447,776)$ include amounts for the new NeoGov application software, personnel investigations, legal services related to the Civil Service Commission; benefits consulting services for the Health Benefits programs; and agency administrative fees for pre-employment screening, Med, State self-insurance license, vision and dental programs. Third party administrator fees for Liability, Medical Leave, and Health Benefits programs are budgeted at $\$ 571,908$.

Other Charges (\$531,236): Charges to Risk Management by other County departments for services, including Chief Administrative Office support (Assistant CAO and fiscal support staff), County Counsel, and the Risk Management funds' A-87 Cost Allocation Plan charges.

Intrafund Transfers (\$1,667,660): The largest portion of the appropriations in this character ( $\$ 1,642,068$ ) is the transfer from the Retiree Health sub-fund into the health benefits sub-fund to cover the County's contribution for retiree health insurance. Charges from other departments to Human Resources General Fund functions for services such as mainframe support ( $\$ 1,804$ ), telephone $(\$ 8,400)$, and network support $(\$ 12,913)$ are also included here.

Intrafund Abatements (-\$1,642,068): These charges are wholly attributable to the transfer from the Retiree Health sub-fund into the health benefits sub-fund to cover the County's contribution for retiree health insurance.

## Staffing Trend

Staffing for the Human Resources Department has declined over the past ten years. The recommended staff allocation for FY 2013-14 is 14 FTE's. All staff are located on the West Slope.

## Chief Administrative Office Comments

The Recommended Budget represents an overall increase of $\$ 2,652,862$ or $7 \%$ in revenues and an increase of $\$ 2,913,862$ or $7 \%$ in appropriations when compared to the FY 2012-13 approved budget. The Net County Cost has increased $\$ 261,000$ or $21 \%$.

The Human Resources Division receives no revenues. Revenues for the Risk Management internal service fund are increasing slightly to offset minor increases in program costs. Funding for the Liability and Worker's Compensation programs is based on actuarial analysis and recommendations of Bickmore Risk Services and Consulting. Both programs had previously been funded above the $85 \%$ confidence level. Based on previous Board direction, the funding for these programs has now been set at the expected confidence level with taking the overfunding over a two year period to draw down the program fund balance. This results in minor adjustments in cost applied charges to departments and a use of Risk fund balance to eliminate prior year surpluses and bring the actual funding in these programs down closer to the 70\% confidence level.

Appropriation increases of \$2,916,862 are associated primarily with services and supplies in Human Resources and Risk Management. The majority of increases are associated with the increased cost of health benefits in Risk Management and an increase in Human Resources associated with labor negotiations, an anticipated class and comparison study, countywide training, and legal services. Several of the increased Human Resources expenses were previously budgeted in Department 15, resulting in an offsetting decrease in expenses in that department.

The budget for the Health Benefits program includes health insurance costs for current employees and retiree health insurance. Health insurance costs are based on projections by Alliant Insurance Services, the County's health benefits consultant. The Board approved membership in the EIA Health program through CSAC-EIA, which is calculated based upon a calendar year. Any possible rate changes effective January 1, 2014, will not be known until this fall; the budget is based on a $7.0 \%$ placeholder increase for the budget year. The budget will be

## HUMAN RESOURCES

revised as necessary once the rates have been negotiated with the insurance carriers and new rates are known. Funding for the County's contribution for retiree health insurance is on a "pay as you go" basis, as in the previous two fiscal years. The Retiree Health Contribution Plan Document caps the amount to be spent on this benefit at $1.2 \%$ of Total Payroll. The estimated calculated cap is $\$ 1,642,068$ which is based on FY $12 / 13$ actuals and will be adjusted upon final calculation in the addenda. This amount will be paid through cost-applied charges to the departments.
