#### Source of Funds

License: Marriage (\$79,000): Fees from the issuance of marriage licenses. The fee for confidential marriage license is \$58.00 and the fee for a public marriage license is \$68.00.

State Intergovernmental (\$3,500): The Elections Division receives reimbursement

from the State for sending out voter registration cards.

Federal Intergovernmental (\$82,459): The federal government provides funding through the Ease grant to explore technological improvements for military and overseas voters.

Charge for Services (\$942,000): The Elections Division receives reimbursement

for conducting elections for special districts (\$250,000). Recording fees have declined significantly in the past several years after peaking during the housing boom due to large volumes of documents related to real estate transactions. This revenue is projected to be \$685,500.

Miscellaneous (\$255,000): There are numerous Clerk functions, including but not limited to: filing fictitious business name statements, examination and posting of environmental documents, registration of process servers, and acceptance and filing of notary bonds. All functions have associated fees.

Operating Transfers (\$571,000): Various State laws require or permit the Recorder-Clerk to collect additional fees on certain documents for specified purposes. Recorder is required to segregate those fees into separate funds. The funds are then transferred into the department to offset expenditures that are appropriate for reimbursement by those funds. The largest of these transfers, \$290,000, is coming from the Micrographics fund to cover salaries, equipment costs, and services associated with the conversion of microfilm documents to digital image. The Division will also transfer \$200,000 from its Modernization fund to cover salaries and services and supplies. The use of this fund is not as narrowly prescribed as the other funds and has been used extensively in the past several years to offset the Net County Cost of the division. The remaining transfers in come from the vital statistics fund and the notary fund.

Net County Cost (\$992,299): The department (due to the Elections Division) is funded with discretionary General Fund tax dollars. These revenues are collected in Department 15 – General Fund Other Operations.

It should be noted that the Recorder-Clerk is responsible for collecting the Property Transfer Tax, which is a tax that is levied on the sale of property at the time the transfer documents are recorded. This revenue posts in Department 15.

#### Use of Funds

Salaries & Benefits (\$2,257,507): Primarily comprised of salaries (\$1,377,229), retirement (\$308,251), retiree health (\$24,726), workers' compensation (\$16,654) and health insurance (\$374,215). The Elections Division budget includes \$85,000 for extra help related to the November election.

Services & Supplies (\$549,219): Major of this include postage components (\$70,000) for mailing documents by the Recorder and mailing absentee ballots by the Elections Division. Professional and specialized services are budgeted at \$80,000 and are primarily attributable to the Recorder's project to digitize vital statistics and redact 7.4 million other official records. These services are offset by revenues from the Micrographics fund. The appropriation for Special Departmental Expense of \$122,000 is for the purchase of elections materials, including sample and official absentee ballots. and ballots. necessary supplies for one election. The Elections Division budget also includes \$55,000 to compensate the precinct boards for staffing the polling places on Election Day.

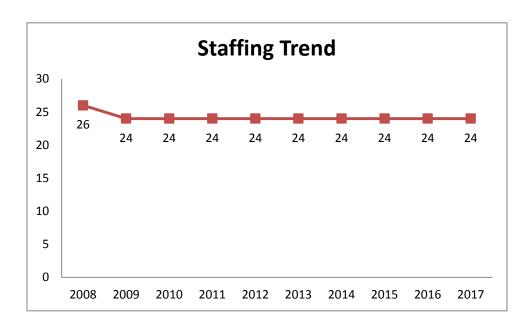

Other Charges (\$82,459): Distribution of Ease grant funding to other jurisdictions for election services.

Fixed Assets (\$12,000): Funding from the Modernization special revenue fund will be used to build cabinets to archive 25,000 maps. This will be the first set of cabinets to be built. The whole project will take a few fiscal years.

Intrafund Transfers (\$24,073): Intrafund transfers consist of charges from other departments for services such as mail service (\$15,445) and telephone equipment and services (\$4,858).

### **Staffing Trend**

Staffing for the Recorder-Clerk/Registrar of Voters over the past ten years has changed very little. The allocation was decreased by 2 FTEs during the downturn in the housing market. During that time, there was a lower volume of documents being recorded associated with real estate transactions. The proposed staff allocation for FY 2016-17 is 23.5 with 21.5 FTE on the West Slope and 2 FTE at South Lake Tahoe.

Also, during each census the office works to coordinate with the Census Bureau for collection of all data and input of data to our database. All precinct maps and boundaries are calculated by the office and provided to the public as needed.

# **Chief Administrative Office Recommendation**

The Recommended Budget represents an overall decrease of \$158,056 or 8% in revenues and a decrease of \$137,110 or 4% in appropriations when compared to the FY 2015-16 approved budget. As a result, the Net County Cost has increased by \$20,946 or 2%. This represents a status quo budget.

The change in revenue and appropriations in the Registrar of Voters is related to the reduced funding for the Ease Grant and Help America Vote Act (HAVA) Grant. El Dorado County acts as the administrator of

the Ease Grant for 13 other counties. The grant assists localities explore technological improvements for military and overseas voters. The reduction in revenues is offset with a corresponding reduction in appropriations. The County does not anticipate receiving HAVA funds in FY 2016-17. In addition, the Recorder-Clerk's division is decreasing the use of its Modernization fund by \$70,000 due to the set-up work being completed for the e-lien recording system. The increase to Net County Cost can be attributed to increases in salaries and benefits to cover employee step increases and retirement and health insurance increases.
