

Bloodborne Pathogens (BBP) Exposure Control Training which meets Cal/OSHA's BBP Standard 8 CCR 5193 and specified in California's Health & Safety Code Safe Body Art Law Section 119307 is required for persons who may be exposed to BBP while performing their routine work functions. This includes, but is not limited to: tattoo artists, permanent cosmetics professionals, and body piercers. Additionally, the training and training materials must be specific to performing body art. BBP training contact time must meet a minimum of 2 hours. Training must be renewed annually. Records must be kept for a minimum of 3 years.

The list of BBP online training courses below are in compliance with California's Health & Safety Code Safe Body Art Law Section 119307 (c) and are approved for Practitioner Registration Purposes.
