August 26, 2020

The El Dorado County Department of Transportation (DOT) invites you to attend a virtual public meeting for the CSA #5 Water Quality Project – Phase 3 (Project). DOT has gathered and analyzed information on existing problem areas and developed alternatives to address the problems (Alternatives 1 & 2). The results have been combined into a Draft Feasibility Report (Report). The purpose of this meeting is to present this information for public comment. Following this meeting, the County will look to update and finalize the Report.

CSA #5 WATER QUALITY PROJECT – PHASE 3 PUBLIC MEETING

Thursday, September 10, 2020
4:00 p.m. to 5:30 p.m.

Virtual Meeting via Zoom
<https://zoom.us/j/99940733368>
or
call in phone # (669) 900-9128

The public meeting will begin with a brief informational presentation followed by a question and answer period. Attendees will have an opportunity to share opinions and concerns regarding the Project (orally and/or in writing). We want to make sure we are addressing any stormwater related issues within your community such as water ponding, conveyance blockages, or excessive sediment accumulation. Previous comments have been incorporated into the Feasibility Report.

A map of the Problem Areas within the Project Area is on the back of this letter as well as a brochure discussing the Tahoe-Sierra Integrated Regional Water Management efforts in the region. A copy of the draft report is available on the County project site at:

https://www.edcgov.us/government/dot/tahoengineering/pages/csa5_erosion_control_project.aspx

Please email Dave Goodell, dave.goodell@edcgov.us, if you have any comments that you would like addressed at the meeting. We ask that all comments are submitted **no later than September 20, 2020**. For more information, you may also contact Dave Goodell or Dan Kikkert at (530) 573-7900.

Sincerely,

A handwritten signature in blue ink, appearing to read "DK 2020".

Daniel Kikkert, P.E.
Senior Civil Engineer
