CSA 5 EROSION CONTROL PROJECT – PHASE 3 PUBLIC COMMENT FORM

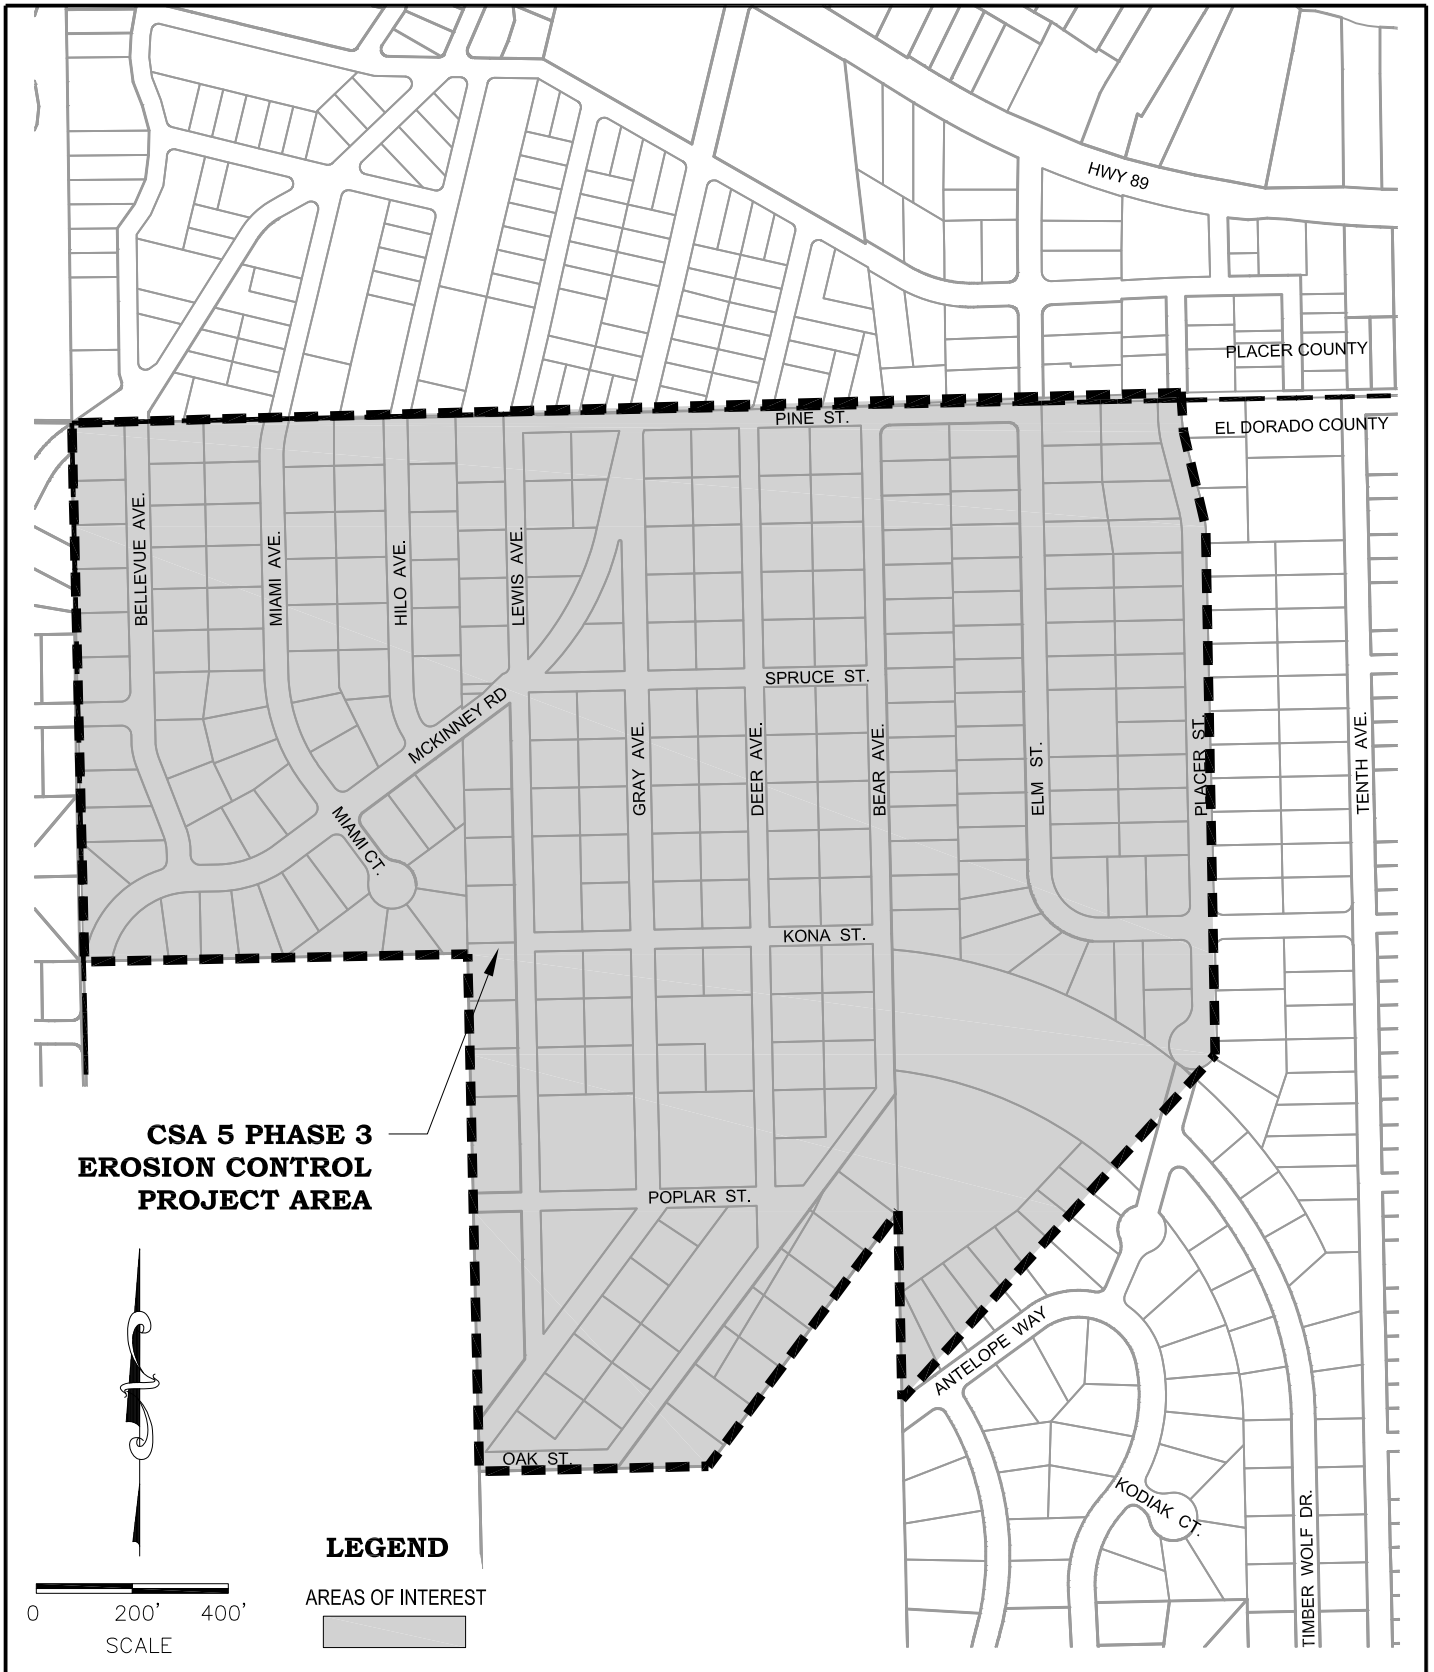

The County of El Dorado, Department of Transportation - Tahoe Engineering Unit is currently in the planning process related to the development of water quality/erosion control improvements for the CSA#5 Water Quality Project – Phase 3 (Project). This Project is funded in part by the State Water Quality Control Board and the Tahoe Regional Planning Agency.

We invite you to participate in the planning process by providing feedback on storm water issues in your neighborhood that will assist in the development of a preferred alternative for the Project. A project webpage has been set up to provide updated project information at:

https://www.edcgov.us/government/dot/tahoengineering/pages/csa5_erosion_control_project.aspx

Please provide your comments or suggestions in the space provided below and on the map on the backside of this form. **We respectfully request comments be submitted by January 10th, 2020 to dave.goodell@edcgov.us or to the Lake Tahoe Office address listed above.** Thank you for your time in assisting our office with the planning of this important Project.
