Dear Tiffany & Zoning Board;

I am writing to object to allowing a  
Storage unit to be constructed on  
Cameron Pk Dr. next to the airport!

There is already a self-storage unit  
less than a block away from the proposed  
site. Another is approximately 1/4 mile  
away.

The proposed is in the middle of  
The block and will be a hazard to  
traffic on Cameron Pk drive as at the  
proposed site there is no turnout and  
the posted speed limit is 45 miles per  
hour. We don't need another storage  
unit.

Sincerely

J C Brandt
