Dear Judge Bowers:

The Camino School District has received and reviewed the 2023-24 Grand Jury Report titled *County Office of Education: Are Schools Doing Enough to Address Sexual Harassment?* The following is intended to serve as Camino School District's official response to *Finding Nine* (F9), which states that El Dorado County school district websites are out of compliance with certain Title IX requirements.

The Camino School District Does not disagree with *Finding Nine* (F9), and as recommended on page 24 of the Grand Jury Report (R8), the Camino School District will ensure that its website is in compliance with Title IX requirements no later than December 31, 2024. Specifically, the District will:

- ensure that the contact information for the Title IX Coordinator is prominently displayed on the district website,
- post on the district website the number of players on each team roster on or before the official first day of competition,
- post the total enrollment of the school, classified by gender,
- post the number of pupils enrolled at the school who participate in competitive athletics, classified by gender, and
- post the number of male and female teams, classified by sport and by competition level.

If you have any additional questions, please do not hesitate to reach out to me directly, and I would be happy to provide you with assistance.

Respectfully,

Meg Enns
