Grant Information

Grant Information

Grant Title/ Description	Vehicles for Veterans Program
Geographic Area Served by this Grant	El Dorado County
Grant Amount Requested	10000

What is the need this grant supports?

Access to vital services remains a pressing issue for veterans in the United States; despite ongoing efforts to address the need to support the fundamental aspects of veterans' post-service lives. Our Vehicles for Veterans Program directly enhances these individuals' health, economic stability, social integration, and overall quality of life. Every veteran we serve has sacrificed considerably in service to their country and communities, yet upon their return to their civilian life, they encounter significant barriers to success, one of which is the lack of reliable transportation.

These limitations, such as access to transportation, continually hinders a person's ability to obtain employment, education, medical care, and social engagement. These barriers only exacerbate the isolation that impacts their overall quality of life. Providing vehicles to veterans not only addresses the issues as described in this grant application, but also offers them the means to overcome barriers to success, gaining independence, and achieve long-term success after integrating back into civilian life.

Please provide information demonstrating the need exists for Veterans in El Dorado County.

Reliable transportation enables mobility, independence, and access to essential services. Without a vehicle, individuals may struggle to secure employment, access necessary services, and maintain family connections. Our program not only offers veterans a mode of transportation but also a pathway to long-term stability. In fact, one veteran said this after receiving his vehicle in 2023: "Thank you to the Gilmore Hero Foundation. You came to my aid when I needed it most. This last year has been a rough one including getting evicted from my home while I was starting my second round of chemo. I lost my vehicle when my parked 2018 Toyota was hit by a hit-and-run driver. The county helped me find a place to move into and since then I've had to get rides to my VA appointments from many different places including Uber and taxis. It was becoming very expensive to get around that way. On March 1, I had my last treatment of chemo. I am so happy that I picked up the brochure for the Gilmore Hero Foundation. I sent an email and in less than a week, I received an email saying they had a car for me. Chris delivered the car on Monday, a 2002 Kia Spectra with 67,000 miles, interior is clean and looks new, with no body damage, runs well, new battery, and new tires —just in time to start back on chemo. Thank You Gilmore Hero Foundation from the bottom of my heart!"

How will this grant address this need?

Gilmore Hero Foundation respectfully requests \$10,000 from El Dorado Community Foundation to help enable the expansion of our Vehicle for Veterans program. Specifically, funds will be used for direct program costs including vehicle maintenance, servicing, and smogs.

How are you suited to meet this need?

As an organization founded and operated by veterans from this very community, we have a unique perspective on the specific challenges our peers and neighbors face upon returning to civilian life. Over the years, we have established robust partnerships with local businesses, veteran organizations, and community groups including Military family support group, Only Kindness, Sons of the American Legion, Veterans of Foreign Wars, The VA, The Veterans Alliance, and many more. These relationships have not only helped us understand the broader scope of needs but have also equipped us with the resources to effectively address them. Our ability to forge and maintain strong partnerships, such as these, demonstrates our commitment to community collaboration and growth.

What is the grant timeline and what are the major milestones?

The timeline for this ongoing program is January 1, 2024 to December 31, 2024. Gilmore Hero Foundation's major milestones for 2024 include:

Partnering with a Development and Grant Coordinator by June 30, 2024 to discuss capacity building and additional fundraising opportunities for our organization.

Hosting an outreach campaign in November, 2024. This campaign will help us build our local reputation via social media. The last day of this campaign will be December 3, 2024.

Measuring and reporting on 2024 program objectives and outcomes in January, 2025.

What is the anticipated impact of the project?

With support from The El Dorado Community Foundation, we will work toward accomplishing the following program objectives during the grant period:

Provide at least one car per month to a service member in need.

Enhance access to essential services to 12 individuals.

Launch a month-long targeted outreach campaign to raise awareness about our organization and the positive impact of the Vehicles for Veterans program.

How will you measure the results of the project?

Utilizing administrative data collection, Gilmore Hero Foundation will work to achieve the following program outcomes during the grant period:

15 individuals will be provided with a safe and reliable vehicle.

90% of vehicle recipients will report improved access to essential services such as health care, employment, and community resources.

Engage at least 100 people via social media platforms through our outreach campaign.

What is the number of un-duplicated veterans to be served if this grant is funded? 15

How will you confirm/show proof of a veteran's status? Please be very specific...this data may be asked for in the final report

We utilize an internet based application through the VA called Squares. This software allows us to verify Veteran Eligibility.

If this is a clinical program, what is your standard recidivism rate?

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a private foundation within the meaning of Section 509(a).

You're required to file Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation, annually, whether or not you have income or activity during the year. If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Dear Applicant:

We received your notification of intent to terminate your private foundation status under Internal Revenue Code (IRC) Section 507(b)(1)(B) during the 60-month period listed at the top of this letter. This letter could help resolve questions on your foundation status. Please keep it for your records.

You intend to operate as a public charity described in IRC Section(s) 170(b)(1)(A)(vi) during the 60-month period. Based on your proposed activities and support, we agree you can terminate your private foundation status, and we'll treat you as a public charity as described in that Section for the 60-month advance ruling period.

Within 90 days after the end of your 60-month period, you must show you've met the requirements as a public charity described in IRC Section 509(a)(1), (2), or (3) for the 60-month period. If you show this, you'll be classified under that Section for all purposes from the beginning of the 60-month period and thereafter, as long as you continue to meet those requirements. Also, if you satisfy the requirements of IRC Section 507(b)(1)(B) at the end of your 60-month period, you won't be subject to the provisions of IRC Section 507(a), (c), or (g). However, if you don't meet these requirements for the 60-month period, you'll be classified as a private foundation for the entire period.

You'll be liable for interest under IRC Section 6601 if you don't pay the tax imposed by Section 4940 for any taxable years during the 60-month period and we subsequently determine you owe the tax for such years. However, we won't charge the penalty under Section 6651, with respect to the tax imposed by Section 4940, because failure to pay such taxes during the 60-month period is due to reasonable cause.

You're required to file Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation, until you complete your 60-month termination and are classified as a public charity.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Grantors and contributors can rely on this determination that you're not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, they can continue to rely on this letter until we make a final determination of your foundation status.

Sincerely,

A handwritten signature in cursive script that reads "Stephen A. Martin".
