

## MEMORANDUM

---

To: Heidi Tschudin  
From: Georgette Lorenzen  
Subject: El Dorado County Land Use Forecasts; EPS #11470  
Date: March 12, 2003

---

In May of 2002, EPS adjusted the employment projection for the Missouri Flat project area (TAZs 186, 320, 322, 323, 332, 333, 355). The adjustments were made for two reasons:

1. To correct for consistency with the Missouri Flat Financing Plan for Phase II of the project, and
2. To eliminate job capacity in TAZ 322 that was associated with a reservoir (coded as a Public Facility) and therefore undevelopable.

An adjustment was also made in TAZ 245 that was to eliminate future job capacity associated with the airport site as it was incorrectly coded as vacant Industrial.

Attached are the revised TAZ allocation tables for the No Project Alternative and the 1996 General Plan Alternative. These TAZ allocations were the final numbers used by Fehr and Peers for purposes of the traffic analysis. These changes were also carried forward into the land use forecasts for the Road Constrained and the Environmental Constrained Alternatives.
