EL DORADO COUNTY IMPLEMENTING SHOULDER CLOSURES ON GREEN VALLEY ROAD AT DEER VALLEY ROAD

El Dorado County's Department of Transportation, in conjunction with Blue Mountain Communities, M&M Electric, and PG&E, will be implementing shoulder closures along Green Valley Road at Deer Valley Road. Work will start on Thursday, December 12, 2024, and may continue through the following week if needed, to install new poles for intersection lighting. Intermittent traffic control will be implemented to assist traffic entering and exiting Green Valley Road to/from Deer Valley Road.

Motorists should be aware of large trucks entering or exiting the roadway and should follow the direction of any flaggers or traffic controls when present. Motorists are advised to slow down through the work zone and expect delays during construction. Motorists are also advised to allow extra time when traveling through the work zone in order to arrive at their destinations on time or use alternate routes to avoid the construction area.

The County sincerely appreciates the cooperation and patience of motorists that use this roadway and we apologize for any inconvenience as a result of the work.

For questions regarding this construction, please contact the County's Transportation main line at (530) 621-5900 (select Option 3 for Engineering).
