### **Notice of Time Extension of Public Review and Comment Period for the Draft Environmental Impact Report for the El Dorado Water Reliability Project**

A Notice of Availability for the El Dorado Water Reliability Project Draft Environmental Impact Report (EIR) (State Clearinghouse #2014032038) was distributed by the El Dorado County Water Agency (Agency) on October 15, 2024, which initiated a 55-day public review period. This notice is to announce that the Agency is extending the public comment period through **5 p.m., Wednesday, January 15, 2025** to allow for a total of 92 days to review and comment on the Draft EIR.

**Project Title:** El Dorado Water Reliability Project

**Project Lead Agency:** El Dorado County Water Agency

**Project Address:** 1107 Investment Blvd, Suite 240, El Dorado Hills, California 95762

**Document Availability:** The Draft EIR is available online at <https://www.eldoradocounty.ca.gov/edwateragency/Programs-Projects/Water-Security/EI-Dorado-Water-Reliability-Project>. The Draft EIR is also available for review during normal business hours at the EDCWA office, the El Dorado County Planning offices, and select libraries.

**Public Review Period:** Written comments must be submitted via email to [edcwa@edcgov.us](mailto:edcwa@edcgov.us) or via US Postal Service to the El Dorado County Water Agency, 1107 Investment Blvd, Suite 240, El Dorado Hills, California 95762. Please use **EDWRP DEIR Comments** in the subject line of the comment letter.

A public review period of 92 days has been established for the Draft EIR. The public review period begins on **Tuesday, October 15, 2024**. All comments on the Draft EIR are due by 5:00 PST on **Wednesday January 15, 2025**.

**Additional Information:** Additional information may be obtained by emailing [edcwa@edcgov.us](mailto:edcwa@edcgov.us) or by calling (530) 621-5392.
