Welcome and Introduction

Rebecca Guo, General Manager, El Dorado Water Agency

Orit Kalman, Facilitator

Consolidated Responses to Major Threads of Input and Comments

- The delineation between WRDMP and PWP
- The focus on primary implementing agencies in El Dorado County
- The Agency's funding use per the Act and leverage of state and federal assistance and other alternative fundings
- The documentation of the water supply-demand imbalance analysis

WRDMP24 Outline (same as 2019 version)

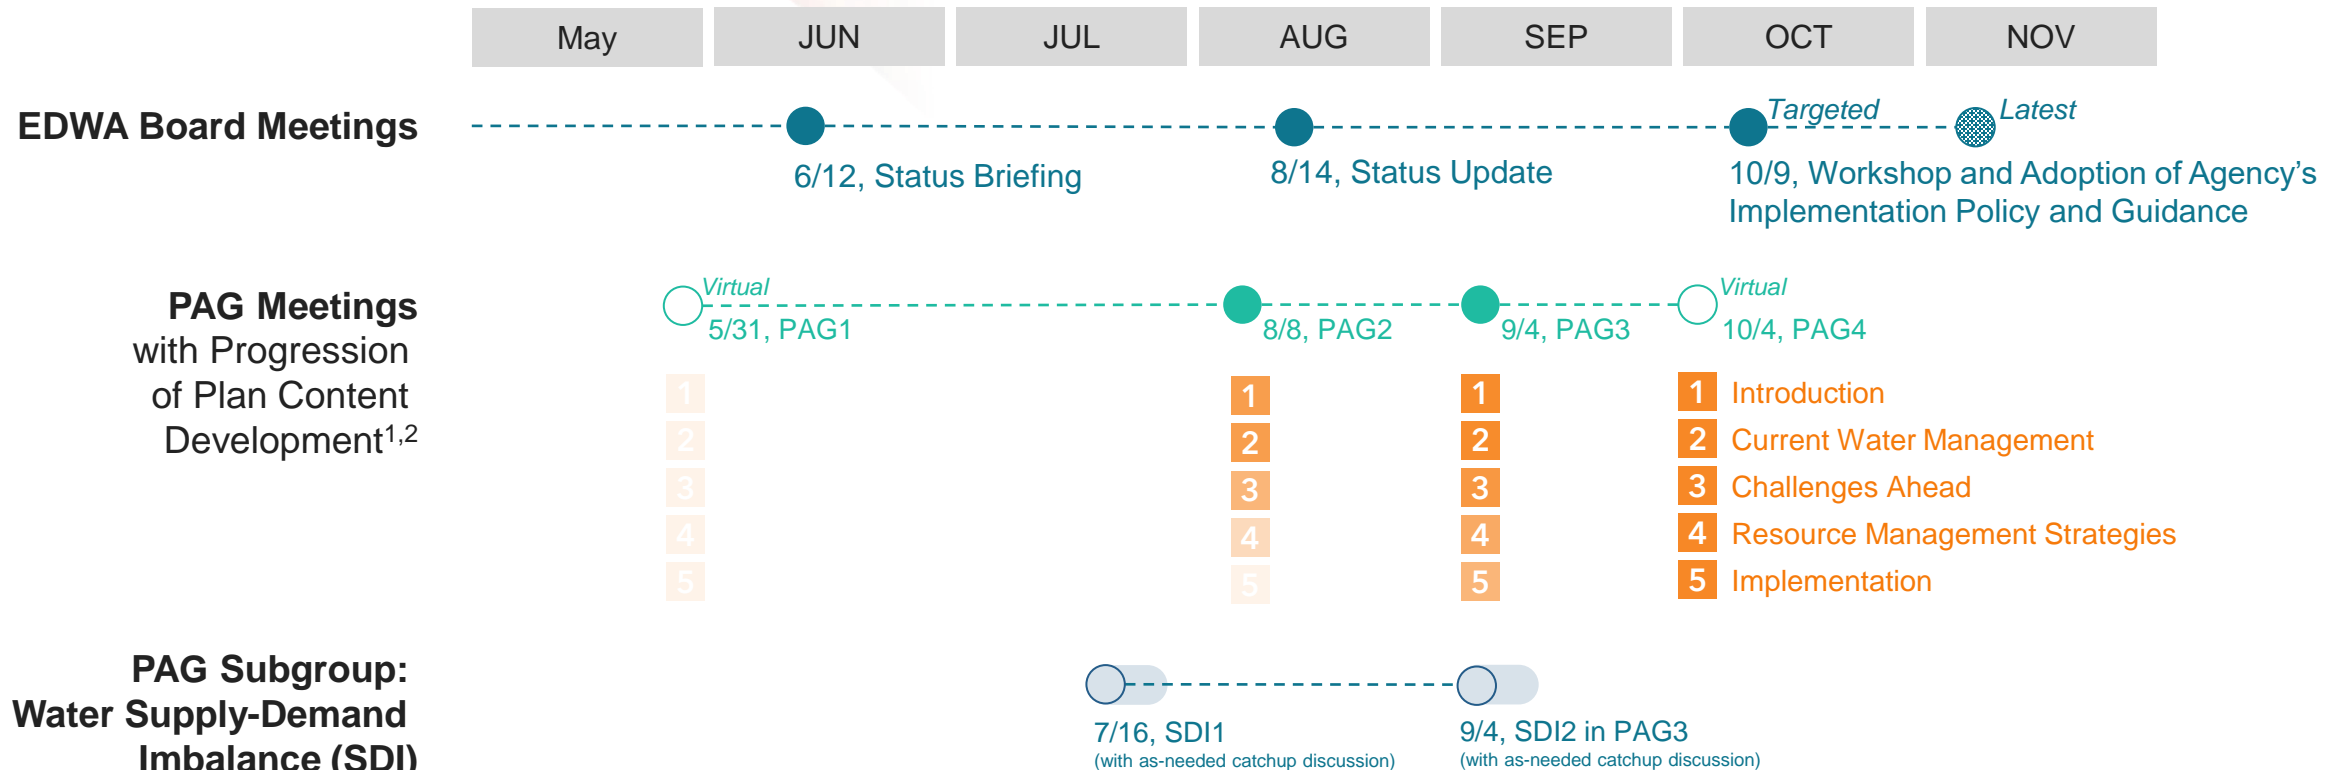

- **Supports realization of the County's General Plan vision for economic development, environmental protection and social well-being.**
- A concise policy document as the countywide water plan, serving as an expectation of collective implementation among all partners and a reference for setting up EDWA's investment and actions.
- An effort with collaborative development among partners and respect their corresponding roles and responsibilities

WRDMP24 Progress Update

Planning Schedule

Notes:

1. As-needed topic-specific meetings will be scheduled with subject matter experts within and outside of the PAG to support content development. The PAG will be informed about these meetings and the results will be incorporated into the draft plan.
2. For every review cycle, the PAG will review the current draft of the plan in its entirety.
